Frequently Asked Questions

1. My product does not contain any citrus fruits - can it still be judged?

No. Although we understand that marmalade has many different definitions around the world, here at the World's Original Marmalade Awards we class marmalade as a preserve which contains predominantly citrus fruits. Your marmalade may contain other ingredients besides citrus fruits, but at least 60% of the contents must be citrus, or it will be disqualified.

2. How many jars can I enter?

There is no limit on the number of entries you can submit, as long as you pay the appropriate fee per entry and follow the rules set out under 'How To Enter' and in the 'Terms & Conditions' shown above.

3. Can I enter the same marmalade in multiple categories?

Yes. If you would like to enter one product in more than one category, please send pairs of jars for each category selected (UK entrants only; single jars for overseas entries), marking each entry with a single category name, and paying the fee for each category.

4. What is the closing date for entries?

Entries must be received by **5pm GMT on Wednesday 10th February 2021**. Please ensure that your jars, together with a completed Entry Form and the appropriate fee, will arrive at Dalemmain by that date.

5. What happens after I send in my entry?

You will receive an email confirmation on receipt of your jars, form and payment. We will confirm the information provided about your marmalades. It is your responsibility to check this information is accurate as this is what will be written on your certificates. If there are any errors, you must notify us immediately. Replacement certificates will incur a charge.

6. What happens if my jar(s) arrive broken?

If your jar arrives broken, we will notify you immediately. You can then send us a replacement jar without paying any additional entry fee. Please track your entries carefully if you are sending them in the post. Do not panic if you have been notified that your parcel has been delivered but you have not received confirmation from us - it takes a while for entries to be processed. We appreciate your patience, as all parcels have to be unwrapped and logged before you are notified.

7. Do I have to list ALL the ingredients?

Yes: a complete list is required on every jar. Please refer to the 'How To Enter' section and the Entry Form.

8. Can I enter products that I have entered before?

Yes. You may enter the same marmalade you have entered in previous years.

9. Is there a Marmalade Festival or winner's reception this year?

Owing to the current UK lockdown caused by the coronavirus, we have had to delay judging of the Marmalade Awards. The results and Awards will therefore be announced at our Marmalade celebrations on 20th June 2021. These are taking place as part of our annual Plant Fair and there will be stalls, activities, tastings and more. Gold and Double Gold winners will be invited to attend a reception on Saturday 19th June.

9. When will I get my results, and what if I win?

Owing to the UK lockdown and the postponement of judging, we are afraid that NO results will be announced in March this year. All entrants will be informed of their results in June. Double Gold and Gold winners will be notified as soon as possible and ideally by 1st June. Entrants winning the special prize from Fortnum & Mason will be notified by telephone. Winners will be announced at our Awards ceremony on Sunday 20th June and results will be posted online at this time. Certificates and feedback forms will be posted to all UK entrants. Overseas entrants will be required to pay an additional fee for postage, or receive their results electronically via email. All certificates and feedback forms should be received by the end of July 2021. We do ask for your patience regarding this, as it can take some time to issue all certificates.

10. Award roundels - Double Gold, Gold, Silver & Bronze

If you win a Double Gold, Gold, Silver or Bronze Award, you can display this on your winning jars for up to 3 years, and self-adhesive Award roundels can be purchased from The World's Original Marmalade Awards, to be used in labelling your jars.

12. Category Winners of the Australian & Japanese Marmalade Awards

Any category winners at the *Australian & Japanese Marmalade Awards* are eligible for one (1) free entry into the World's Original Marmalade Awards at Dalemmain. Please send a copy of the winning certificate, and note that the free entry is only valid for the category-winning marmalade.
